## A WORD FROM THE EDITOR-IN-CHIEF

### THE HOPE OF GLORY!

Dearly beloved,

Welcome to another edition of **Praisereel**, the official magazine of the RCCG House of Praise. I have a witness in my heart that you are not holding this magazine by accident, the almighty God has made it possible, and he has done this for a reason, He plans to bless you.

This edition has been carefully put together taking into cognisance that the year is fast running out. Christmas is around the corner and once again, we are all taking stocks. How has this year gone for you? Good, great, could be better? Or out rightly poor? I have news for you, don't be discouraged if you have not been able to meet all your goals for 2007, Look forward to 2008; it is the year of Hope. The number 8 represents a new beginning, look forward to a new beginning in every aspects of your life.

**Praisereel** is a dream come true for the House Of Praise, it is a magazine, running an errand on behalf of the mission, going ahead of the Ministers to touch, uplift and entertain souls. We believe we can only get better. Please feel free to write us an email to tell us how we are doing, encourage us, give us information, express your thoughts, ask questions etc. Contact us at: [praisereel@houseofpraise.co.uk](mailto:praisereel@houseofpraise.co.uk)

### In this edition...

In this edition, we want to tell you a bit more about life at House Of praise. If you are not a member, we want to let you know what you are missing and encourage you to join us for worship one of these days. House Of Praise is a family church and we thrive on encouraging individuals towards fulfilling their destinies.

This, being the festive period, the usual features are available along with some extras. I have treated you to another piece in the Kingdom Wisdom column, this time we are discussing briefly on how to get breakthrough ideas, because I discover recently that the way to breakthrough is when God has given you an idea. May God grant you that divine idea that will change your life. Mama's article is teaching us to differentiate between the spirit of Christmas and the Spirit of Christ Himself; the reason for the season.

We have put together a series of photographs showing how the past year has been at House Of Praise in the past 12 months. In this edition also, we have a column for the teenagers and another for the children. Dads and mums are not left out as well. I sincerely hope that you enjoy this edition and that it is a blessing to you.

**Praisereel** has come to you free of charge (despite the considerable resources committed towards it, both human and financial) because we believe it will bless you. Please pass it on to someone else once you are finished with it so the love can be continue to spread. In 2008, Jesus Christ, the hope of glory will give you hope. May God uphold you and prosper you and yours.

Until I see you again.

**Merry Christmas and a Happy New Year in advance!**
