

Pastor Andrew in India

IN THE MISSION FIELD

FULFILLING THE GREAT COMMISSION

by Kunle Falodun

The verse in Mathew 28:19-20 is what Christians all over the world refer to as The Great Commission. It indicates the commission given to every Born again Christian by the Lord Jesus after he has completed his assignment on earth. PRAISEREEL wanted to know a bit more about how much House of Praise is fulfilling the great commission by reaching out to all nations. Pastor Andrew Adeleke, the Senior Pastor of the church was on hand to give us some insight.

According to Pastor Andrew the Mission field is a great concern of the church. When asked what the policy of HOP is regarding the Mission field, he said "Our church is a mission oriented church; we believe in missions, and according to the Lord Jesus, the gospel must be preached in other cities, therefore we are of the opinion that no one has the right to hear the gospel twice when others have not heard it for the first time", continuing, he stated " That's why we believe in the electronic media; Television, Radio, internet etc and the Paper media; News papers and Magazines, all in a bid to propagate the gospel as much as possible"

When asked to tell us a bit more about the activities of House of Praise in the Mission Field, Pastor Andrew thought for a second and responded saying; "The House of Praise have been involved in at least four continents of the world; North America, Europe, Africa and Asia."

Pastor told us how God has given the HOP a breakthrough in India. He has been there to conduct a crusade in about three cities with so many souls coming to the Lord. The HOP has also been to the Philippines to support the work being done by the local Christians there. In Zambia, the church is sponsoring students and supporting an orphanage home.

Not limited to that, HOP has been able to help and support in completing a building for a church in the state of Indiana, in the USA.

When asked about the future plans of HOP for the mission field, Pastor Andrew stated emphatically that 50% of the church's income will be spent on the mission field. He said, "We plan to commission more missionaries, church planters, evangelists and gospel workers that reach the four corners of the world. According to the book of Ezekiel chapter 47, that says wherever the river touches, whatever is there shall live. We believe that God will support us because "the earth is the Lord's and the fullness there of" he concluded.
