A WORD FROM THE EDITOR-IN-CHIEF

THE HOPE OF GLORY!

Dearly beloved,

God in His infinite mercies has made it possible for you to read from us again, or if this is your first time of reading *Praisereel*, we are glad to welcome you on board! 2008 has left the starting blocks like an Olympic athlete (By the way it's an Olympic year... and a leap year) Oh I believe for someone out there this is a year of victory. This is the year you have been waiting for, even if the past few weeks still have a semblance of last year, hold firm to your faith, never let go. God is always in control.

The Bible told us that Jesus was in a boat with the disciples, while He was fast asleep, the disciples fought tooth and nail to save themselves and the boat from what they thought was fatal storms, until someone remembered to wake Jesus, who despite the activities around Him never woke, and when He woke, all he said was Peace be still... and the storms obeyed him.

What storm has plagued you thus far... in this year of a new thing, I say Peace be still, step out of the storm and move into your next level. We thank those of you that have gotten in touch with us one way or the other, we appreciate your comments, contributions, suggestions and constructive criticisms, please keep it coming. Contact us at praisereel@houseofpraise.co.uk for any suggestions, contributions or enquiries. We look forward to hearing from you.

In this edition...

It's the Easter season, a holiday more important to the Christian faith than any other because without the resurrection of Jesus Christ, our faith is void, like the Apostle Paul said, therefore we decided to zero in on Easter issues. I have also tried to inspire you to get an upgrade in your life. I was once upgraded while travelling from Economy to first class; can you repeat such a scenario of unmerited favour in life and destiny? Pastor Yemi has dealt with relationship issues in her column and we have tried to answer questions from teenagers in our community. We look forward to answering your question too.

In a lighter mood, we are taking you on a journey to Dubai to one of the greatest hotels in the world to just inspire your imagination. Photographs showing what have been happening in our church are also in the centre spread. We have finished our articles on Dads and Mums in this edition also, and we have provided more entertainment for our younger readers.

Like we keep saying, *Praisereel* has come to you free of charge. Please pass it on once you have done. We are praying constantly that the magazine will touch your life specially and deposit something special there.

Until I see you again, May God keep you, bless you and give you testimonies.
