## A WORD FROM THE EDITOR-IN-CHIEF

### THE HOPE OF GLORY!

Dearly beloved,

We thank God for another opportunity to bring you good news. We thank God for life, for keeping us for most of the first half of this year 2008. I believe this year is getting better and better for us. Are you yet to see all your dreams come to pass? Don't despair, keep seeking him, because the bible says we must believe that He is and He is a rewarder of those that diligently seek Him.

Today, I want to bring you a challenge. My challenge to you if you have never known the Lord Jesus Christ as your Lord and saviour is to give Him a try today as tomorrow may be too late, He said come unto me all ye that labour and are heavy laden for my yoke is light... Do you know Him already? My challenge to you today is to move up in your knowledge of Him and deeper in your understanding of him, even the Apostle Paul said... that I may Know Him and the power of His resurrection.

This year, in all you do, whether in the temporal or the spiritual, please do not stay in one place, move ahead, advance, make progress, the Lord will help you and promote you.

We thank those of you that have contacted us one way or the other, please keep the comments coming, encourage us, criticise us (constructively) and contribute, we look forward to hearing from you, please contact us at: [praisereel@houseofpraise.co.uk](mailto:praisereel@houseofpraise.co.uk)

### In this edition...

This edition is celebrating 10 years of Total Woman Ministry, a charitable interdenominational organisation that has done so much for women in the UK and all over the world. We have used the opportunity to celebrate womanhood and the family.

Pastor Yemi Adeleke shared her burden for women with us in this exclusive interview that is a must read, detailing her journey over the past 10 years attempting to fulfil her God given mandate. Kingdom Wisdom also dealt with family issues and as usual I have tried to inspire you to greatness. Pastor Yemi also spoke to Women; again, in her column; Straight From The Heart. As usual, this edition is packed with varieties that have been carefully put together to educate, entertain, enlighten and bless you. Please open your hearts and read with expectation.

Like we always say, Praisereel has come to you free of charge. Please pass it on once you are done. We are praying constantly that the magazine will touch your life specially and deposit something special there.

Until I see you again, may God Promote you! Bye For Now!
