and adulthood therefore by mentoring them, it helps them to find a balance and point them in the right direction.

How has the experience of working with your Pastor been?

It has been good because he is committed and dedicated to the work of GOD. He is a true Shepherd who cares for his sheep.

How long have you been in HOP I have been a member of House Of praise for the past 5 years.

How did you hear about HOP and why did you decide to stay? I actually heard about HOP through my brother who is not a member. I decided to stay because I felt a strong conviction in my spirit and was also inspired by a former member of the church Sis Yemisi Okosun.

Are you a worker? Yes. I used to be in the choir but since January 2008, I've worked with the teenage church. My involvement in this department has given me a chance to help train the future of tomorrow. Being a teenager is a crucial point between childhood

Which of the Programmes or Conferences at HOP impacted you most? I vividly recall the power conference about 3 or 4 years ago. It was such a real blessing to me at that point in my life.

Where do you see yourself in the next 5 years? By God's grace, I see myself as an established solicitor and having made significant progress in the teenage ministry and happily married with children.

MEMBER'S PROFILE.

Name Ms Elaine Sewell

Church House of Praise, Peckham

Personal Profile Born in London to Jamaican Parents, I work for Lewisham council as a senior Customer Service Officer, dealing with a wide range of issues. On the other hand, I am an "arty crafty" person, and have always taken an interest in developing and training myself, and acquiring new skills since I left school.

deeper level of understanding of the Bible. I have come to realise that there is more to the Bible than just what is written. Also the people here are 'normal people'; there is no putting on a 'holier than thou attitude'. I have also learnt how to improve myself, as the teachings always encourage.

Which of the Programmes or Conferences at HOP have impacted you most? The Night of Joy and the Women conferences (Total Woman) have been a great help. I learn so much, especially from all the other Ministers of God that come sharing their own experiences, making me realise that I can be all I want to be. The women conferences have also taught me how to be a better mother to my children, and I can see the result in their lives now.

How long have you been a Member of HOP? I have been a member for about past three years.

How did you get to attend HOP? A colleague of mine brought me to HOP. She was always inviting me to church, and I used to tell her to give me a good reason to go to church. One day she said "I want you to be in heaven with me". That got me curious, as nobody had ever given me a good reason to go to church prior to this.

How do you evaluate success?

I will be a success if I am able to make heaven at the end. I will be a success if my life can influence others to change. Right now, people around me claim I have changed and they now respect me for who I am.

Why did you decide to stay? I love the atmosphere, it's like a family and the way the Word of God is taught here is unique, it has opened my eyes to a
