

single and lovin it!

Serving god with
all your heart

by Moji Adesanya

As singles in the house of God it is my belief that there is no better time to serve God with all your hearts and might than when we are single. As apostle Paul rightly mentioned in the book of 1st Corinthian 7 vs. 32-34.

Let me quickly add, that this is not to say there is anything wrong with getting married or seeking to get married. The word of God further tells us that marriage is honourable the bed undefiled (Heb 13 vs. 4a) and also makes us to realize than one shall chase a thousand and two will chase ten thousand.

However I believe that will only happen if the two are properly matched. In this age Where Christians can hardly distinguish the voice of God from the various noises that assault their ears soul, where there is no longer a clear separation between the soul and spirit by the sharp two-edged sword of the word of God even amongst professing Christians; the need for young, vibrant singles to lay hold on God much more than we have done before cannot be over-emphasized.

I always say that when a man has direction in life, most importantly from the Holy Spirit, he can never miss it in all he does. Another New Year is coming and I certainly don't want to go round in circles. Be expectant and look out for the beginning of the series in the next edition of Praisereel:

The series is broken into four main parts namely:

How to hear from God: Your faith; effectiveness; speed; prosperity in life and destiny is hinged on this.

How to Study God's Word: Developing the muscles of faith and sharpening the ability to hear God

How to pray effectively and different kind of prayers: Communication with God is a thing of joy or a bland routine (is prayer trying to convince an unwilling God to do what we are not sure he wants

to do or can do? is it a heart to heart conversation between a son and father to accomplish the father's will?

Walking with The Holy Spirit: The Comforter is the presence of God on the earth. The word of God makes us to realize that He will teach us all truth and reveal the father to us.

Why do we need to Discover God?

The question may arise in your heart why do you need to discover God for yourself? why do you have to put all the effort and ensure that you are not just known of God as one of his many children; but that you know God. There is a world of difference between those two positions. God has many children of diverse characters and He knows them all. But only a very few can claim they really know God and his ways. Many know his acts but a few are acquainted with his ways. It is my prayer that we not just know the act of God but rather be fully acquainted with the ways of the Great and Mighty King! Amen.

The Ark of Safety

As God prepared an ark for the righteous Noah in the time of great trouble upon the earth so has He prepared even a Ark at this Time: That Ark of your Safety is in this thick dark age Discovering God through the divine Spirit. The Spirit of God & the Word is the ark of safety. I believe God will reveal more of his mind to you as you join us with this series.

Let us all be prayerful and expectant of what God will do with this series; It is my belief that there shall be a great deposit of God in us and we would not be the same again after this. Amen!

Bet you will agree the full dose is sure worth waiting for. God bless you and I wish you all a Merry Christmas and a Happy New Year in Advance.
