A WORD FROM THE EDITOR-IN-CHIEF

God always has a plan...

Dearly beloved,

Our message is coming to you today during this period of global economic downturn. The world has seen suffering like never seen in decades. Companies are closing down, people are losing their jobs left right and centre. It is easy to say today that life is harder than it was at the same time last year. However, the only thing that is constant is that God is always in control.

Several times in the Bible, famine was recorded. There was one during the time of the prophet Elisha that was so bad that people were eating their children. However, God still showed up. In less than 24 hours food became so cheap that everyone had in abundance. Then during the time of Joseph, God used the revelation of the famine to save him and also save the world as he prepared for the Famine hence saving the world from absolute scarcity.

The bottom line is that God always has a plan in all this. Never lose hope, keep looking up, things will work out for our good especially for believers because the bible said, all things work together for good for those who are called according to his purpose.

We hope we have been a source of encouragement to you in today's dark world. If we have been please, write to us at praisereel@houseofpraise.co.uk; also write to us for any suggestions, contributions or enquiries. We always look forward to hearing from you.

In this edition...

It's the Easter season once again, however we have brought you articles that deal with contemporary issues in order to further educate, entertain and encourage you. All your regular columns are here, and we have delved into the world of football to see a rare relationship between the beautiful game and Christianity. We have brought you an interesting article on mental health. This is one area many people lack knowledge.

Like we keep saying, *Praisereel* has come to you free of charge. Please pass it on once you've finished reading it. We are praying constantly that the magazine will touch your life specially and deposit something special there.

Until I see you again, May God keep you, bless you and give you testimonies.
