How long have you been a Member of HOP?
I joined HOP officially in October 2007 after my baby's dedication.

Why did you decide to stay?

When I came to HOP, I felt welcome and was blessed by the church fellowship. I became the President of

Men of Valour in July 2008 which gave me the privilege and opportunity to form a close bond and friendship with church members. I guess it is fair to say that I have stayed on in HOP Woolwich because of the relationships I have established and because it is truly a family church.

Which of the Programmes or Conferences at HOP impacted you most?

With regards to the programmes I don't seem to have any favourites - they all minister to me in different ways but I must say the Early Morning Prayer with Pastor Andrew is very refreshing...
