HE FULFILLS THE DESIRE OF THOSE WHO FEAR HIM;
HE ALSO HEARS THEIR CRY AND SAVES THEM. **PSALM 145:19**

JOBLESSNESS IS OVER

Glory be to God in the highest, I want to thank Him for His protection, guidance, mercy and favour over me and my family. I want to thank God for blessing me with a good job after 6 months of joblessness in this country. Praise the Lord

I WAS SAVED BY HIS BLOOD

To God be the glory and His mercies endure forever. On the 17th February 2009, I woke up and was about to hold my normal morning devotion with my children. All of a sudden, I felt like I was passing out and losing my breath. The only thing I could recall was that I was saved many thousands years ago by the blood of Jesus. I kept proclaiming the blood of Jesus and about 30 minutes later, God revived me and I am healed by His grace. Amen. To God be the glory, power and honour forever and ever.

HE IS A MERCIFUL GOD

On the 7th of November 2008, I was sitting in court awaiting judgement on 3 charges. My solicitor had told me that I could get up to 18 months custodial sentence. However as Jehovah will have it, the prosecutor did not have much to say, was stammering before the Judge and got her facts wrong. I was eventually given 100 hours of community service. The Lord showed mercy to me despite all. I will forever praise him. I thank God for all the people that prayed for me and stood by me during this period.

THE HUNTER BECAME THE HUNTED

A few weeks ago, I wrote the agency that assigned me to my current job that I would like a pay rise. To my surprise, two weeks ago they wrote me that with effective from the following Monday they would be terminating my contract with them, and immediately sent a replacement to understudy me looking to substitute me within days. I cried to God and when the God of wonders replied, the company I am working for refused to let me go but instead decided to terminate the contract with the agency; they sent me to another agency in order to retain me. He is a prayer answering God..

HE IS MY HELP

I want to thank God for keeping me in my job in particular amongst other things. My job requires that I am able to drive, however during the interview for the job, this was not made clear. On assuming the position, I was given 3 months to pass a driving test and was put under immense pressure to quit the job as well. There were those who felt I wasn't fit for the job and told me I was too young to occupy that role as it took other people 20 years to get there while I had come in with only four years experience. The Lord however stood by me and despite the fact that I am the youngest, the only black and one of the few females in that job role in the South of England, God honoured me - I have been told I have enough time to do the driving test and they have assured me of their support.
